

Green University of Bangladesh
Department of Electrical and Electronic Engineering
NOTICE

Subject: Discontinuation of Classes and Courses for EEE Evening Batch Students from Fall Semester 2026

This is to notify all concerned that the Department of Electrical and Electronic Engineering (EEE), Green University of Bangladesh, has decided to discontinue offering classes and courses for the EEE Evening Program with effect from the **Fall Semester 2026**.

Accordingly, no new admissions, classes, or academic activities under the EEE Evening Program will be conducted from the Fall Semester 2026 onward, until further notification from the Department of EEE.

After the summer semester 2026, students of the EEE Evening Program who have any pending or incomplete courses are requested to continue those courses by enrolling with the regular batch students, subject to departmental rules and availability.

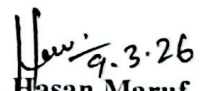

This decision has been taken in accordance with university policy and academic planning. All concerned are requested to take note of this notice and act accordingly.

For any further clarification, concerned individuals may contact the Department of EEE.
