

Tentative Schedule of Capstone Project/Thesis Phase-I, Phase-II, and Final Defense (Fall 2026 Semester)

This is to inform all faculty members (Supervisors) and students concerned that the tentative schedule for the Capstone Project/Thesis Phase-I Defense, Phase-II Defense (Poster Presentation), and Final Defense for the Fall 2026 Semester is as follows:

Defense	Date	Eligible Students
Phase-I Defense	November 23, 2026 (Monday)	Day & Evening Batch students registered for EEE400A in Fall 2026 (Batch 232_Day)
Phase-II Defense (Poster Presentation)	November 23, 2026 (Monday)	Day & Evening Batch students registered for EEE400B in Fall 2026
Final Defense	December 28, 2026 (Monday)	- Evening Batch students registered for EEE400B in Fall 2026 - Day Batch students registered for EEE400C in Fall 2026 - Deferred and ineligible students from Summer 2026

All Supervisors are kindly requested to advise their respective students to complete the required work according to the schedule and ensure their readiness for the scheduled defense.

All concerned students are instructed to prepare accordingly and comply with all submission requirements, presentation guidelines, and other instructions to be announced by the department.

Note: The above schedule is tentative and may be revised by the department if necessary.
